New River Women's Health Cancellation / No Show Policy

1. Cancellation / No Show for Scheduled Appointment:
   We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book. If an appointment is not cancelled at least 24 hours in advance you will be charged a Thirty Five Dollar ($35) fee; this will not be covered by your insurance company. This appointment will also be marked as a No Show since adequate cancellation notice was not given. We will limit the number of No Shows or late cancellations allowed per patient. If you are a No Show three (3) times, we will no longer schedule appointments for you at our practice.

2. Late Arrival for Scheduled Appointments:
   We understand that delays can happen; however we must try to keep the other patients and doctors on time. If a patient arrives 15 minutes past their scheduled time we will have to reschedule the appointment.
